Note to Teachers
Permission to copy

The material in this book is copyright. However, the publisher grants permission for copies to be made without fee on those pages marked with the photocopiable symbol.
Private purchasers may make copies for their own use or for use by classes of which they are in charge; school purchasers may make copies for use within and by the staff and students of the school only. This permission does not extend to additional branches of an institution, who should purchase a separate master copy of the book for their own use. For copying in any other circumstances, prior permission in writing must be obtained from Macmillan Publishers Limited.

Permission to copy

The material in this book is copyright. However, the publisher grants permission for copies to be made without fee on those pages marked with the photocopiable symbol.

Private purchasers may make copies for their own use or for use by classes of which they are in charge; school purchasers may make copies for use within and by the staff and students of the school only. This permission does not extend to additional branches of an institution, who should purchase a separate master copy of the book for their own use. For copying in any other circumstances, prior permission in writing must be obtained from Macmillan Publishers Limited.
